Hi Friends,

HCL is organizing a series of global web conferences on "PeopleSoft Upgrade Decision Maker Series". HCL Technologies is one of the Global Certified Advantage Partner with Oracle.

I would like to take the opportunity to invite you all to be a part of these complimentary webinars which are scheduled as per the timings mentioned below. The link to register for these Webinar is provided below. . It will be really great if you could pass the same on to your respective team members. We look forward to your valuable registration & participation at the Global Web Conference. <http://www.hcltech.com/webinars/upcoming/registrations/?id=13045>
